

Seasonal Guest Skating Policy

The KW Sertoma Speed Skating Club has established criteria for skaters from other clubs to join the KW Cobras Train to Train team for designated ice sessions. These criteria have been developed to protect the coaching of our developing skaters and at the same time provide an opportunity for competitive skaters from other clubs to train with our elite skaters. This policy determines eligibility for skaters from other clubs to join our elite team for on-ice training.

To meet the minimum criteria, **guest skaters must complete these steps in order:**

- be a registered member with the Ontario Speed Skating Association
- skate at a level of Train to Train or Learn to Compete as outlined in the LTPAD
- not be in conflict with the skaters' home ice schedule
- **obtain written approval** (email is acceptable) from the coach at the skaters' home club
- **obtain written approval** (email is acceptable) from KW Sertoma Speed Skating Club senior head coach and the head coach of the Train to Train team
- **hand in** the completed and signed Guest Skater Registration Form and Skater Medical Information Form

The payment structure is specified on the Guest Skater Registration Form and is payable in advance of the start of each session as outlined on the form. No refunds will be issued for any reason.

Coaches want guest skaters doing individual drop in session options to contact info@kwspeedskating.com to let the KW Sertoma Speed Skating Club know they will be attending the next skating session.

KW Sertoma Speed Skating Club reserves the right to refuse a guest to skate on any guest date dependant on number of skaters on the ice and coaching availability.
