

Instructions for Importing the Google Schedule Calendars

To save this calendar to your Google Calendar:

1. Click on the  button at the bottom right of the calendar.
2. Click on 'Yes, add this calendar' at the prompt.

3. (Optional) Pull these calendars into your mobile device if you have Google calendar set up.

For additional help on saving calendars to mobile devices:

Visit www.support.google.com/calendar for additional help on how to view a calendar on iPhone, iPad and Galaxy/Android devices.
